REGULAR BUSINESS MEETING
2ND TUESDAY OF THE MONTH
7:30 PM (dinner at 6:30)
EXCEPT JULY AND AUGUST

 MESSAGE FROM THE EAST 

Brethren;

January was a whirlwind of Masonic activity, beginning with January's stated meeting held on the 12th. We accomplished a lot of business that night including presenting a 50 year pin as a courtesy to a brother from the Grand Lodge of Arizona. On the 19th we conferred the Entered Apprentice Degree on our newest brother Sam Harris. On the 26th, we conferred the Master Mason degree on Brother Chris Ryan. The members of the lodge really stepped up and learned extra parts and we were amply rewarded. The work was excellent and everyone had a good time.

On the 29th and 30th I attended the 138th Grand Lodge Communication. Congratulation to our newly elected GL officers and especially those brethren from Gateway 29: worshipful brothers Chuck Warren and Jerry Everett.

We will be celebrating Gateway's 55th birthday on the 20th of February at 12:30 PM at Granny Annie's in Kaysville. The food, door prizes, program, and the company will all be excellent! Come out and renew old friendships. Please RSVP to Worshipful Brother Jerry Everett as soon as possible.

Our 2010 theme is "The Year we (re)Make Contact". With that in mind I would like to start working on a couple of things:

- 1) I would like us all to extend invitations to those of our brothers who live in the area but haven't been to lodge for a while. This includes our EAs and FCs that are (or should be) working on their proficiency. If you are a coach to one of these brethren, or a friend to a member who doesn't come out very often, please contact them before February's meeting and invite them out. Offer them a ride if needed. Let's make these brethren feel at home again with us.
- 2) In order to re-make contact with our families, I will be doing my best to start our regular meetings at

7:30 sharp AND ending at or before 9 PM. To this end, please contact me or our brother secretary well before the stated meeting if there is something that we need to add to the agenda.

I've been contacted by quite a few young men during the past month. Many of these men are interested in the Fraternity and have a friend or two that are Masons. Brethren, I think we're going to be busy with petitions and work during the next few months.

Our next meeting is 9 February 2010 at 7:30 PM. Come join us for dinner at 6:30.

Thanks for all of the support that you give our lodge!

Bretheren,

After talking to our brother Secretary Cliff Specht last night, the dues for this year are coming in extremely slow. I assume economic times are hitting the membership. However, dues are not to make the lodge rich, but to pay the bills and promote Masonry. Even if all of the dues are collected, there will still have to be fundraising activities to break even. Times are difficult, but we "all" have to help out to make it through the year. The next fundraising activity is headed up by Jerry Farkas and selling roses on Valentine's Day. Please support the lodge and take part.

The lodge has the starters, the officers, the bench, membership, and like any sports team the starters are the openers, the bench comes in to relieve, and we depend on everyone to be winners. The point I'm making is that it takes everyone to be successful and make a winning team.

Finally, my usual, I would like to remind everyone to keep those who are sick and ill in our prayers. God Bless and I hope to see everyone in lodge.

Dave "Borge" Borgeson
Senior Warden 2010.
